

SARAH'S HOUSE

"Your Home Away From Home."

The mission of Sarah's House is to provide temporary lodging in a comfortable "home away from home" environment to cancer patients (and their caregivers) receiving treatments at Cancer Care. We serve a vast area for cancer treatment, and convenient lodging is essential for these people. At Sarah's House, we provide not only an affordable place to stay, but a supportive and caring atmosphere centered around hope and healing. Referred guests are served with integrity and respect and without regard to financial resources.

Sarah's idea was born out of interactions with two women that were receiving radiation treatment at the Lafayette Cancer Center at the same time Sarah was there. These women were both traveling great distances to get to treatments. She wanted to help these woman and other cancer patients like them.

And so it was born, the idea to build a cancer hospitality house to serve our region and the biggest, most rural part of our state. Sarah's House opened October 1, 2014.

Sarah Robinson passed away December 4, 2011. After her cancer returned earlier that year in August. She was 26.

Since opening we...

- Have nine-bedrooms to serve cancer patients
- Served approximately 400 guests and their caregivers since opening
- We have saved guests more than 836,000 miles of travel
- We have provided lodging for guests from 15 of Maine's 16 County
